PRAIRIE VIEW A&M COLLEGE

VS.

GRAMBLING COLLEGE

(1967 Southwestern Conference Football Champions)

TODAY'S GAME — The battle today between two perennial grid powers in the Southwestern Conference will likely be a hard fought decision.

Both the Panthers and Tigers were on the losing end last week, and both will be fighting hard to get back into the conference races. A victory for either team could put them well on their way to becoming a serious contender.

In any event, you should be witnessing football at its best in the Southwest. May the best team win.

Grambling

Grambling College, Grambling, Louisiana, was founded in 1901 at the instigation of the late Booker T. Washington. It was not, however, until 1948 that the college granted its first B.S. degree but in the 20 years since then Grambling has graduated more than 10,500 students. Today Grambling boasts an enrollment of 4,141 and a faculty which includes 52 members holding the doctoral degree.

Grambling President, R. W. E. Jones is a man whose accomplishments reflect his dedication to the college. He has given over 43 years of his life in helping to build Grambling and has been president since 1936. Under his leadership the college has become recognized, fully accredited, and respected academically and professionally.

Grambling captain, defensive tackle Richard Lee. At 265 lbs. Lee is murderous at threatening a passer and stopping a rush. He should add lustre to the Grambling defense.

Tabbed as a "can't miss" prospect by professional scouts, Grambling Quarterback James Harris should be a big factor in the Tiger's success. Last season the rangy 210 pounder passed for 1,346 yards and 17 touchdowns.

Charlie Joiner, 185 lb. offensive end is Grambling's top receiver. In 196 Joiner caught 36 passes for 492 yard and is considered one of college football's most dangerous receivers.

What's so great
about ROTC?

Check 'em.

☐ **Great opportunity.** You earn a commission while you earn your college degree. Graduate—you start at the top. Fulfill your military obligation as an Army officer. With officer's pay. Officer's privileges.

☐ **Great advantages.** Employers prefer a college graduate with service as an officer. Pay more to get him. Because he's a trained, experienced leader. Can handle heavier responsibilities.

☐ **Great success.** From the 5% of college men who had ROTC training have come 24% of our state governors, 28% of executives earning \$100,000 to \$325,000 per year, 10% of Congress, 15% of our ambassadors.

☐ **Great guys.** ROTC men are campus leaders—in ROTC, athletics, extracurricular activities. And they do better scholastically than non-ROTC students.

☐ **Great extras.** \$50 per month in junior and senior years. Scholarships for outstanding students. Free flight training at over 125 colleges. Extra social activities—military balls, honor societies, bands, rifle teams.

Any way you look at it, there's a lot more going for you when you're in ROTC.

Your future, your decision . . .
choose **Army ROTC.**
